

# SAUK VALLEY ANGUS

BULL &  
FEMALE SALE

**SATURDAY, MARCH 22, 2025**

12:00 NOON AT THE FARM, SOUTH OF ROCK FALLS, ILLINOIS

SANDROCK FAMILY

Dear Angus Friends,

Welcome to the 2025 Sauk Valley Angus Sale and thank you for taking time to go through the offering. We are truly blessed by the chance to do what we love, raising Angus cattle is our passion. Your continued confidence in our breeding program is truly humbling and we treasure the friendships that we have formed. This is a tremendous set of bulls that will go on to sire powerful calves at their new homes.

As we enjoy record prices in all segments of the beef industry, you can be assured that these bulls have the genetics that will allow you to fully capitalize on these soaring beef markets. Our NWSS Pen Bulls were very well received in Denver this year, where the lots 1, 2, 4, and 7 bulls were definitely crowd favorites. The fall bulls and two year olds are as powerful as any set that we have ever sold and will be ready for heavy service this spring. The bulls have been developed on a high roughage silage based ration and offer transformational real world genetics. The sale offering is rounded out by an exceptional set of young females from the heart of our herd that are truly second to none. We offer free delivery or a \$50/head discount if you take them home on sale day. . . they are 100% guaranteed.

The friendships that we have formed with cooperators and customers alike are invaluable. . . The people make the difference. We would like to thank Pyszka and Sons Cattle, Hackett Farms, and Evers Farms for their participation in this event. Be sure to mark your calendars for March 22nd and join us early to evaluate the cattle and have lunch. If there is anything that we can do to assist you in any way, please don't hesitate to contact us.

Thanks again,  
Ben Sandrock 815-499-2271

**COMMENTS FROM THE SALE MANAGER:**

*The popular 2025 National Western Pen of Bulls exhibited by Sauk Valley Angus headline this powerful event comprised of spring yearling, fall yearling and two-year-old Angus bulls along with an elite set of females that are sure to please. Represented are breed-leading genetics from this time-tested program.*

*It is certainly a pleasure to work with the entire Sandrock and King families in the presentation of this important annual production sale. Make plans now to be a part of it! Please don't hesitate to call on us at American Angus Hall of Fame if we can be of assistance with your selection decisions. We are here to serve.*

Sincerely,  
 Tom Burke, Kurt Schaff, and Alex Popplewell
